Identification Number: C00003418

Reference: Amended March Monthly Report (2/1/02-2/28/02), received 5/22/02

Dear Mr. Retzer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A supporting Line 15 of your report discloses a payment(s) from a federal candidate committee(s) for goods and/or services provided by your committee. 11 CFR §100.7(a)(1)(iii)(A) states that "...the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for such goods or services is a contribution." Examples of goods and services include equipment, supplies, personnel, membership lists and mailing lists. The term "usual and normal charge" for goods is defined as "...the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution". The usual and normal charge for services is defined as "...the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered." 11 CFR §100.7(a)(1)(iii)(B)

Please clarify whether your committee assessed the usual and normal charge for the goods and/or services you provided to the federal candidate committee(s) and explain the steps your committee took in determining the amount(s) charged. If your committee provided the goods and/or services at less than the usual and normal charge, the difference between the two is considered to be an in-kind contribution by your committee to the federal candidate committee(s) and is subject to the limits set forth at 2 U.S.C. §441a. (11 CFR §100.7(a)(1)(iii)(A))

-Schedule B supporting Line 21(b) of your report discloses a payment(s) to another political committee(s) for goods and/or services provided by that committee(s). 11 CFR §100.7(a)(1)(iii)(A) states that "...the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for such goods or services is a contribution." Examples of goods and services include equipment, supplies, personnel, membership lists and mailing lists. The term "usual and normal charge" for goods is defined as "...the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution". The usual and normal charge for services is defined as "...the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered." 11 CFR §100.7(a)(1)(iii)(B)

Please clarify whether your committee was assessed the usual and normal charge for the goods and/or services you received and explain the steps the political committee(s) took in determining the amount(s) charged to you. If your committee was provided the goods and/or services at less than the usual and normal charge, the difference between the two is considered to be an in-kind contribution by the political committee(s) to your committee and is subject to the limits set forth at 2 U.S.C. §441a. (11 CFR §100.7(a)(1)(iii)(A))

-Please clarify all expenditures made for ADVERTISING COST on Schedule(s) B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) B and H4 of your report to clarify the following description(s): TRANS and SUPPLIES. For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Line 1 and Line 5 of your Schedule I for your Republican National State Election Committee Non-Federal account discloses \$2,181,362.14 in receipts and \$373,468.47 in disbursements, respectively. However, the sum of the memo entries itemized on memo Schedule A equal \$2,085,302 and the sum of the memo entries itemized on memo Schedule B equal \$365,343.82. Please clarify these apparent discrepancies.
